

CONSTRUCTION & ROAD CLOSURE ALERT

CONSTRUCTION ON AVENUE 88 IN TULARE COUNTY

ISSUED: MAY 17, 2017

FRESNO, CALIF. – The California High-Speed Rail Authority (Authority), in cooperation with design-build contractor Dragados-Flatiron Joint Venture (DFJV), announces construction activity on Avenue 88 to the east and west of State Route 43 (SR 43) in Tulare County. Work will include mobilization of equipment and construction of test piles for a high-speed rail overcrossing scheduled to begin Monday, May 28 and continue for the next several months.

This work is part of Construction Package 2-3 (CP 2-3), the 65-mile stretch of high-speed rail between East American Avenue in Fresno County and one-mile north of the Tulare-Kern County line.

Construction activities on Avenue 88 to the east and west of SR 43 in Tulare County will begin Monday, May 28 and continue for the next several months.

Road closures will not be required at this time.

Signage will be in place to direct traffic. Pedestrian access will also be restricted.

This schedule is subject to change. For up-to-date information please visit BuildHSR.com or the Caltrans Quickmap. Traffic laws will be fully enforced and commuters are expected to be aware of the surrounding activities, remain alert and watch for construction vehicles and personnel. The public is asked to drive carefully and be extra cautious while traveling through construction areas.
